# OF GIVING DRUGS

(Continued from First Page.) learned that Muenter was engaged to my sister here, and she, too, broke her engagement. So Muenter, who had had two sweethearts, found himself with

"He came back to Chicago and succeeded in working himself into the good graces of my sister again. I urged her not to marry him, but she did, in spite of his proved fickleness. Acted Like a Crazy Man.

"The man's strange demeanor when he brought my sister's body back in-creased my dislike for him. He acted like a crazy man. I was still more sus-

"Her body was cremated April 18. On that day Muenter came to me and asked to borrow \$150, saying that he needed it to pay the expenses of the cremation. I finally let him have it. He disappeared that day before the burlal."

Durlal."
The mother of Muenter, it was learned, lives in Los Angeles, and the police think that he may have fled thither. Telegrams were sent to that and other Western cities, warning the police lowatch for him.

## 5.00 Thinks Muenter, Insane, May Have Killed Himself

BOSTON, Mass., April 28.-Eugene R Krembs, of Chicago, brother of Mrs. Erich Muenter, wife of the Harvard professor who the police of Cambridge 10.00 this morning:

"The request of Muenter to have the body cremated, his failure to be pres- and sat down near what is called Blag-00 ent when the ashes were interred, his lack of knowledge as to the exact hour when his sister died, and his failure to appear since, with the facts revealed by the post mortem examination, all go to convince that something is wrong.

"We are in a dilemma to know whether he is in his right mind or not. We especially wanted Muenter arrested before the news could get/to the public. Now I fear his body will be found in the river or somewhere else, self destroyed. of a startling nature will come to light if he is arrested."

Muenter went to Chicago with the death, taking his two daughters, one of Mrs. Muenter's death. He attended the funeral of his wife, and on April 20 left 10.00 but his failure to come back adds an

## Poison the Cause of Death.

There seems to be no doubt that Mrs. Muenter died of poisoning. The undertaker who prepared her for burial says that the body when he first saw it was contorted. Prof. Whitney, of Harvard Medical School, who analyzed the contents of the stomach and intestines.

the cause of death. the cause of death.
Incidents connected with Mrs. Muenter's death are peculiar. She died practicely without medical attendance. On April 6 she gave birth to a daughter.
Mrs. Edith Chase, of Cambridge, a Christian Scientist, was called to the home, 107 Oxford street, to attend her.
Prof. Muenter himself is said to be a

of Cambridge, was called in. but he refused to attend the woman when he found his directions were not being carried out. Then Dr. Frederick W. Taylor was summoned. Chief Inspector Hurley questioned Mrs. R. M. Derick, of 8 Gardield street, for a long time, and her statements were put in writing.

"I never talked to Mrs. Muenter" sidd Mrs. Derick, "and was introduced only as a neighbor. Waten I learned Mrs. Muenter was dead I agreed to go to Chicago with his family to take care of the children. We left Boston for Chicago on Tuesday, the 17th. Mr. Muenter acted as any person in his position would, I suppose, and there was nothing in his condition at any time which would cause astonishment. I understood when I left Chicago Mr. Muenter was to return to Cambridge immediately."

William Brooks, an elderly colored man who lives near the scene of the assault. She told her story and received every attended every attended overly attended provided every attended provided every attended to possible from Brooks, and affective every attended every attende

igave the woman "absent treatment." "I was asked by Mrs. Muenter to take charge of her case last February. I was in Washington at the time the child was born, which was two weeks before it was expected. When I returned I

it was expected. When I returned I was called to Cambridge, April 9.

"Everything then seemed to be harmonious, but I learned that liver trouble had developed, which was indicated by incessant vomiting. On the next day, Tuesday, the nausea continued, and examination revealed a lump as large as one's fist in the region of the liver. Wednesday morning she was decidedly better, but still experienced a burning sensation in the region of her stomach, which gradually grew less painful, the nausea subsiding. At the same time it seemed to me there was a violent pressure which might indicate enlargement of the liver, which afterwards proved to be the case.

# WOMAN VICTIM

OF COLORED MAN

(Continued from First Page.)

Fourteenth street extended for some time and after crossing live or six small street botthwest, who is an according to a struck on the head with a stone my coat, put my sable handbag on it and sat down near what is called Blagden's bridge to read my magazine. I street botthwest, who is all to been struck on the head with a stone and afterward kicked in the face by a colored man, stick to the story that there was a colored man in the affair. Six detectives are working on the

den's bridge to read my magazine. I had done the same thing several times before, but was never molested and had ao fear yesterday afternoon.

"While I was sitting on the hill I heard the crackling of twigs behind me and was horrified when I turned and locked into the face of that brute. He was coal black. He was about five feet seven inches tall and wore a blue jumper or overalls, with black trousers under them. He also wore a dirty white or gray shirt and a brown fedora hat. I got a good look at him because I struggled with him for what seemed to me to be an hour, but I guess it was about half that long.

"He stooped down and picked up my

half that long.

"He stooped down and picked up my handbag, which I had brought to this country from Norway with me. When he touched it I said 'Don't take my handbag. If you need money, take what is in the bag and go."

"No, I won't." he snarled, as he glowered at me; 'I'll take everything you've got, and you better not make any noise, either."

funeral of his wife, and on April 20 left the home of her mother, saying he was coming back to Cambridge. Although eight days have elapsed since then he has not returned to the university, and his relatives and the police do not know where he is. His many stanch Harvard friends declare that if he returned he could clear himself of the awful charge, but his failure to come back adds an element to the case that makes the police redouble their efforts to locate him.

Poison the Cause of Death.

By to dhim that I was fully capable of taking care of myself in any emeragency, and I wanted him to drop my handbag. He opened the bag, and after taking the money from it stuffed the reticule in his pocket. I ran toward him to get the bag from him, and he made a vicious lunge at me, striking my cheek. I was stunned, but I went back at him and caught hold of his arm. He threw me off, but again I rushed toward him and selzed him near the throat and hung on, although he clawed and kicked like a madman. Severeral times he repelled me and I in turn ral times he repelled me and I in turn orced him back. While we were at close ange he got his hands on my throat and exan choking me.

began choking me.

"When he forced me to the ground I was almost unconscious, but I remember hearing him say. This is the toughest fight I ever had in my life." I do not remember anything more until I regained my senses and saw him sitting on the ground beside me. I scrambled to my feet as best I could and ran, He saw me running, but did not pursue me. I did not look back after I started for fear he would follow me."

## Fell Exhausted at Roadside.

The woman says the assault occurred than an hour after that she staggered brough the doorway of the home of William Brooks, an elderly colored man

assault.

In a short time the woods and roadways were filled with polleemen and detectives, and Lieutenants Elliott, of the Tenth district; Schneider, of the Seventh, and Doyle, of the Eighth, spent the greater part of the night and early morning directing the posse. Scores of citizens joined the searchers and scoured the woods all night.

The crime is punishable in the District of Columbia by hanging. William Burge, a colored man, was hanged for a similar offense two years ago.
